Dear Mr. Zarro:

I am writing to let you know that we have received your contribution of \$10,841.24. Like so much that First Fairfield has done for us, these funds will be used to advance the cause of justice for defendants who cannot otherwise afford counsel.

In this particular case, you have made the difference in the life of one veteran defendant whose exposure to trauma in Iraq could be shown causatively to have involved him in the criminal justice system here. Due to the establishment of the Veterans Defense Program and the availability of First Fairfield's contributions, we have been able to reduce what would otherwise have been a substantial amount of time in prison. We can report to you that our client is doing very well. He is currently in a veterans program and upon release from prison will receive the treatment he needs and deserves.

Thank you very much for this contribution. We cherish the relationship we have with the entrepreneurial efforts being made on our behalf by First Fairfield.

Sincerely,

Jonathan E. Gradess

Dear Mr. ^{Frank}Zarro:

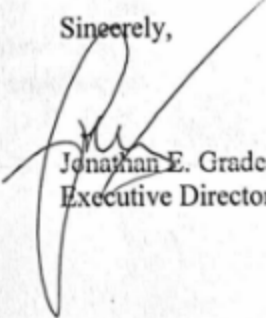

Thank you for your contribution of \$6,731.06 to NYSDA.

We thank you for answering the call to help build a stronger defender movement in New York. Your generous donation will help us in our continuing efforts to ensure competent legal representation and protection of the constitutional rights of all criminal defendants in New York State.

This check, which represents another step in the slowly growing but constant progress toward an entrepreneurial justice partnership, is much welcomed. I assure you it is already being put to use.

Thank you again for your generous support of our Association.

Sincerely,

Jonathan E. Gradess
